## HPAT preparation

HPAT is a very difficult exam, and it is as important as your Leaving Certificate in determining entry into medicine. Preparation is therefore essential.

MedEntry is the government-accredited, internationally trusted leader in HPAT preparation. For more details, including a **free trial exam**, please visit

The logo for MedEntry features the word "MedEntry" in a bold, black, sans-serif font. A red stethoscope graphic is integrated into the text, with the earpieces forming the 'M' and 'E' and the tubing connecting them.
