WHAT IS MedEntry?

MedEntry is a leading Registered Training Educational institution committed to helping students enter medicine & dentistry. MedEntry has become synonymous with UCAT success. Our logo is a promise.

WHAT DOES MedEntry OFFER?

MedEntry offers workshops, a professionally designed curriculum, online practice exams which simulate the computer-based UCAT, fully worked solutions, percentile rankings, thousands of practice questions, Personalised Adaptive Learning, video instruction, the latest flexible and interactive learning technology, one-on-one tutoring services, personalised interview training sessions, university admissions advice and more. All of this is offered at a competitive price.

WHY CHOOSE US?

MedEntry is the only UCAT training institution which offers a Quality Guarantee. It is run by practicing clinicians, academics and psychometricians with expertise in test development, measurement and analysis. MedEntry has higher ratings and more reviews on Google & Facebook than any other prep course (and even higher than any university!). We get more students into medicine than all other courses combined.

DO I REALLY NEED TO TRAIN FOR THE UCAT?

Yes! Do not be misled into thinking that practicing on the free questions provided is sufficient. Some students with perfect university or school scores miss out on a place in medicine due to low UCAT scores. Research shows training can significantly improve your UCAT score.

WHAT DISCOUNTS DOES MedEntry OFFER?

MedEntry offers discounts for groups, past students, those with academic achievements and those nominated by their teacher or health professional.

WHERE CAN I GET MORE INFORMATION?

Please visit www.MedEntry.co.nz for a **free UCAT practice exam**, information about the UCAT / medical entry process and to enrol in our programs. Let us help you achieve your Med Entry dream. Follow us on social media for UCAT tips and updates.
