WHY CHOOSE US?

MedEntry is the premier, internationally trusted and government-accredited HPAT training organisation. It is run by academics, doctors and professionals with expertise in test development, measurement and analysis. We have been training students for tests such as HPAT for over 20 years, with unparalleled success and student satisfaction rates. **We are HPAT specialists** - it is the only thing we do!

DO I REALLY NEED TO TRAIN FOR THE HPAT?

Yes!

Do not be misled into thinking you cannot prepare for it. Even high achieving students struggle with the HPAT. Students with perfect scores in the leaving certificate have missed out on a place in medicine due to low HPAT scores. Research shows training can significantly improve your HPAT score.

WHAT DISCOUNTS DOES MEDENTRY OFFER?

MedEntry offers discounts for groups, past students and those nominated by their teacher. Numerous scholarships are also available.

WHERE CAN I GET MORE INFORMATION?
